REQUIREMENTS

The creative work and the written text of the entry must be the original work of the credited companies and authors.

Eligibility period

To be eligible, work must have run in Singapore and data must be isolated to SG. It must have run at some point between 1 January 2024 – 31 March 2025. Work that ran after the cut-off period may not be submitted. Results that fall after the end of the eligibility period and are directly tied to the work submitted are fine to submit. Review all eligibility rules in the Entry Kit.

No agency names (except in the credits)

Do not include agency names in the written case, creative examples (including file names), or sources.

Use charts & graphs to illustrate your story

Entrants are encouraged to display data via charts & graphs within the limits allotted in each question. To insert charts & graphs in your responses in the [entry portal](#), save each chart/graph individually as a .jpg image (700-900 pixels wide or tall recommended).

No linking to external websites

Do not direct judges to visit external websites. Judges can only review the content provided in your written entry and creative examples.

Source your data

All data included in the entry form must reference a specific, verifiable source.

TOP TIPS FROM JUDGES

Be clear, concise, compelling & honest.

Judges evaluate approximately 6-10 cases in a session – shorter, well-written entries stand out. Clear storytelling that connects every aspect back to the core idea and results will help your case stand out.

Context is key

Judges may not work in your category and may not know your brand. Provide context to convey the degree of difficulty for your challenge & the significance of your results. The entries should show awareness of external factors that could have influenced campaign success or failure. Acknowledging these factors demonstrated a deeper understanding of the campaign's environment and context, which can add credibility.

Speak to the entry category

Judges evaluate work on effectiveness in the context of the entered category. Be sure your stated goal and results align with the category definition.

Tell a story

Write your entry with your audience, Effie Judges, in mind. Judges are looking for an engaging, clear story that links each section of the form together. Judges will be evaluating your work with a critical eye – address questions you think they will have.

Articulate strategic insights

Clearly articulate strategic insights rooted in genuine business needs and consumer insights. Demonstrate why certain strategies were chosen and how they directly addressed the objectives.

Effective use of data and metrics

Focus on a few key performance indicators directly linked to business outcomes, rather than presenting a wide array of metrics without clear relevance to the campaign's success.

Review

Ask colleagues who do not work on the brand to review the entry. Ask what questions they have – what was unclear? Where did the case fall flat? Ask a strong proofreader to review the entry.

90 WORD PUBLIC CASE SUMMARY

Provide a snapshot of the effectiveness of your case. The summary should be written as though it will be judged. Using at least three complete sentences, summarize the case and its goal. Indicate objectives and how the evidence of results directly relates to those objectives (concrete numbers or percentages vs. general terms like "record sales" or "big success"). Think of the case summary as a long tweet, mini-case, or an elevator speech.

The case summary will be published in the [Case Library](#). It may also be used for promotional purposes and should not contain any confidential information.

(Maximum: 90 words)

Provide answer.

STATEMENT OF EFFECTIVENESS

Please provide a short statement on the effectiveness of your case.

The intention of this statement is to provide a better understanding of why your work was worthy of either finalist status or an award. It is an opportunity to showcase the success of your effort. You may choose to touch on your most important result, why the effort was effective or significant to the brand, the most important learning taken away from this case, or an interesting/fun fact about the work.

If your case is a winner, it may be shown on screen at the awards gala or in the promotion of your case if it is a finalist or winner.

Examples:

- Moved familiarity from 24% to 62% with the core gaming audience
- Earned over 600 million media impressions in just 8 weeks
- Brought new users into a declining category and increased social interactions.

(Maximum: 15 words)
